BY TRAIN

There are two train stations in Como:

Trenitalia's mainline station "**Como San Giovanni**", and the Ferrovienord station "**Como Lago**". All trains from Germany and Switzerland to Milan (central station) and from Milan (central station) to Switzerland and Germany stop at the Como San Giovanni station.

From Milan Centrale station: trains to Como S. Giovanni station leave approximately every hour. As you arrive in Como s. Giovanni you should reach piazza Matteotti by foot in ten minutes if with light luggage or by bus or taxi. Once in Piazza Matteotti you have two choices: take the boat making sure that stops in Carate Urio and drops you off right in front of our hotel or take the bus line C 10 or C 20, making sure they run along the lake. The name of the bus stop in front of our Hotel is Urio pontile.

From Milan Cadorna station - Ferrovie Nord: trains to Como Lago station leave approximately every 30 minutes. Just few meters away from the Como Lago train station you can take the ferry boat service to Carate Urio and drops you off right in front of our hotel or take the bus line C 10 or C 20, making sure they run along the lake. The name of the bus stop in front of our Hotel is Urio pontile.

From Milan Malpensa airport, take the Malpensa Express on the northern line and change at Saronno, where you can take a train for Como Nord Lago.
